IRON[®] PLANET

Buy Big. Sell Big.

Our weekly online Showcase Auctions are an opportunity for buyers and sellers alike to manage their equipment needs – whether they own one machine or a full fleet.

For sellers, we target qualified buyers all over the world from our more than 1.7 million registered users. We offer four ways to buy and sell: weekly online, daily in our buy-now format and Make An Offer, and on-site at a Cat Auction Services or Kruse Energy event.

From construction equipment to trucks to mining to oil & gas or military equipment, you can sell it – or find it – at IronPlanet.com.
